

## DEPARTMENT OF ATHLETICS' MISSION STATEMENT

The Madison Public Schools, through policy and action, supports the belief that a strong program of extracurricular activities provides a balance in educational programming for its students. Athletic competition, by its nature, contributes to greater student awareness of self-discipline, a growth in emotional maturity, and an increasing realization of the worth of the individual. Students should learn that participation in athletics is not only a privilege but is also an honor that requires responsibility for maintaining one's academic standing in the classroom and for maintaining a high standard of conduct outside of school hours as outlined in the student handbook and the *Code of Conduct* for Madison Public School students, K-12.

All of our coaches are expected to, first and foremost, fulfill the role of being a dedicated leader of young men and women by constantly setting a fine personal example of what it means to be a student-athlete during and after school hours. There should be a complete understanding that all persons involved with the athletic program fall under all guidelines and district policies. It is expected that our coaches will be consistent and fair in all rules and regulations applied to the student-athletes they coach.

The athletic program strives to achieve success in all endeavors. It is recognized that a positive athletic program can contribute significantly to school morale and community pride for all persons involved with the athletic program.

Coaches, the Director of Athletics, and administrators bear the responsibility for the periodic evaluation of the total program. New programs should be suggested when appropriate and existing programs scrutinized to be sure that they are meeting student needs and interests.

Finally, we realize that a student's participation in interscholastic athletics could very well influence the overall quality of his / her life. For this reason, we are committed to excellence in all phases of the program.
