

Madison Public Schools Strategic Initiatives 2010-2011

Developed by the Madison Public Schools' Administrative Team in Collaboration with the Madison Board of Education January 12, 2010.

Our Vision

Madison Public Schools will provide a high-quality, world-class education that ensures success for each student through excellence in teaching and learning.

Our Mission

To support students in achieving their highest educational and personal potential, to inspire in them an enduring love for learning, and to prepare them to be 21st Century citizens of the world who contribute to the diverse, multicultural, and international communities in which they will live.
